

Name _____

Billy Gorilly and the Candy Appletree Family are on their way to the library to talk to Mrs. Flicker Fireflybrarian. They want to find out how they can "Catch the Reading Bug". You can help Billy and his pals find their way to the library by reading books. Each time you finish a book put a sticker on, or draw a circle around, one set of footprints. When all the footprints are covered you can yell out a big, "Hooray! I did it."
