Bookmark Instructions

1. Download .PDF bookmark file. Use Adobe Acrobat to print. You can download Adobe Acrobat free at <http://www.adobe.com/products/acrobat/readstep2.html>. One page makes 4 bookmarks.
2. Print on heavyweight paper and laminate (*optional*). I used 8 ½ x 11in. lamination sheets on both sides for a more durable bookmark.
3. Use a cutter or scissors to separate the bookmarks. I like to leave a small white border around the edge of each bookmark.

Billy Gorilly and the Candy Appletree Family hope you enjoy these bookmarks. They are intended to be free for everyone to use and enjoy. If you are a teacher, librarian, daycare provider, or involved parent you are welcome to print and hand out to your child or group. This also goes for scout troops, dads, aunts, grandparents, and uncles.

Go to <http://www.billygorilly.com> to find out about more about Billy Gorilly's music, podcast, and other activities for early learners.
