

Betsy Ross 5-point Star

Make a five-point star by folding a piece of paper a few times and then making one cut. This is the type of 5-point star made by Betsy Ross for the first flag of the United States of America.

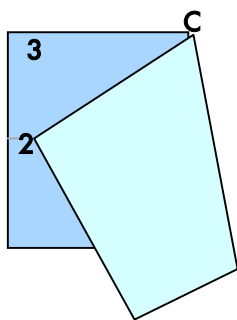

Supplies needed:

- ★ A piece of paper (8 ½ x 11 in.). Cut 1 inch off bottom to make paper 8 ½ x 10 in.
- ★ Pencil
- ★ Scissors

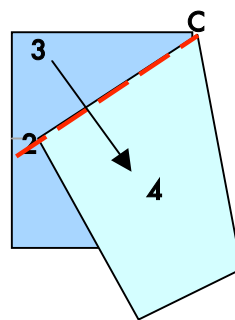

Step 1. Cut 1 inch off the bottom of 8 ½ x 11 in. piece of paper. Fold paper in half. To make center creases fold paper in half using gray lines as a guide. * C= center

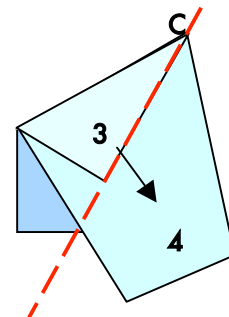

Step 2. Fold corner "1" toward center line "2".

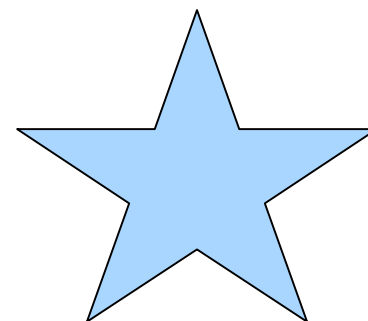

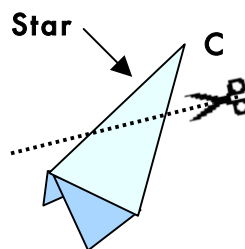

Step 3. Fold corner "3" toward number "4" along red dashed line.

Step 4. Fold area "3" along red dashed line toward number "4".

Step 5. Cut paper along dotted line. Unfold paper to see your perfect 5-point star!

Finished 5-point star
